2 Stilt Walkers are included in this price to provide entertainment throughout event.

Birthday Parties: Two packages available, prices can vary depending on length of party requested.

Parties with larger numbers of children may need to have extra instructors for safety reasons.

Workshops can be run in either:

Structured (where specific activities are brought out two or three at a time and lessons in those activities planned as a whole. The party will be split into groups to make this easier to manage)

Unstructured (run the same way as our workshops with everything out in the hall and party guests can try what they like when they like. Instructors will teach where interest is shown but it is individual person led and no one is compelled to try what they don't want to)

Full list of party games planned can be sent upon request. Party packages are suitable for adults as well as children. Lessons will be adjusted accordingly, and the certificate doesn't need to be given out unless you wish us to. Parents are encouraged to join in. A break for food/cake can be arranged and we can supply music if you do not have anything arranged.

Children under 5 can join in although we won't teach them certain circus skills unless their fine motor control and ability to follow complex instructions is developed enough for example juggling requires being able to do 2 or 3 things at once. Babies tend to enjoy playing with the circus ribbons and if they can hold the stick and wave their arms there's no reason they can't have a go too.

Silver party package

1 Walker and 1 ground performer 3 x 45-minute walk about

£300.00

2 Walkers and 2 ground performers 3 x 45-minute walk about

£500.00

Our stilt walkers can fit most themes with their costumes however we are always making more so if you have something specific in mind, please let us know. Our tallest stilt walker stands at 8.5 feet tall. All our stilt walkers can also perform tricks such as hula hooping, contact juggling, contact staff, juggling and diabolo whilst up. Balloon modelling is also an option.

Performances:

Regular performances:

£180.00 per performer for a maximum of 15 minutes

Fire performances:

Minimum of 2 performers for safety

£200.00 per performer for a maximum of 15 minutes

Longer performances can be obliged with additional charges applied.

For a full list of acts available please let us know which of our performers you are interested in. Fire entertainers are Violet, Blue Six, Luna and Twisted Sarah. We ask that they do not perform alone unless you have arranged a trained fire marshal to be present during their acts.

Our fire performers are trained to fire marshal each other. We would require an area we can set up our arena to keep the audience a safe distance for safety reasons. We supply this ourselves. A minimum space of 4m by 4m is needed. 6m by 6m if you wish to have the lycopodium canes and fire hoop as the fire trails and equipment is much bigger.

We ask if you require us to perform inside that you check with the venues insurance to have the smoke alarms and sprinkler systems turned off before our performances. We also would need to provide a venue inspection prior to the event to check ceiling height and locate any hazards we would need to avoid. We also ask if we are performing inside that you provide necessary ventilation as it will get smoky. Access to cleaning products to mop up any leftover fuel off the floor would also be appreciated.

Infinity Circus Fire Show:

£650.00

This package includes:

Full 45-minute choreographed show complete to music.

1 x male compere to introduce each act and interact with the audience as well as perform.

2 x female fire performers

Acts included in show:

Fire sword duet, fire fan duet, body burning and eating act, fire staff act, fire hoop act, Body burning and contortion act and lycopodium staff trio as finale.

A minimum space of 6m by 8m is required for this show. We provide our own arena and have both hard standing and soft standing. We would need access to water and a power source for our music if you do not have a sound-system we could plug in to already at the event. Everything is managed by us, the fire marshalling, music, sound checks, safety checks and audience safety.

We ask if you require us to perform inside that you check with the venues insurance to have the smoke alarms and sprinkler systems turned off before our show. We also would need to provide a venue inspection prior to the event to check ceiling height and locate any hazards we would need to avoid. We also ask if we are performing inside that you provide necessary ventilation as it will get smoky. Access to cleaning products to mop up any leftover fuel off the floor would also be appreciated.

More than one package can be combined at events. Please contact us to discuss pricing as we do offer a discount for multiple bookings. Charities get a 20% discount on any of our packages. To book us for you event please contact Carly our company director using the details below. We require a 25% deposit to be paid in advance for us to book you in.
