

Infinity Circus Pricelist

Scroll down to see our full list of prices and information about each package. Prices include staff wages and company expenses.

The prices listed do not include Travel costs.

Travel is calculated per mile, per car and is an additional charge.

Circus Workshops: We specialise in large scale workshops for maximum

entertainment for all ages. Based on a 5-hour workshop however prices can vary depending on length of time the workshop is required for. For each extra hour needed £25 per staff member is added to the price. Additional stilt walkers can be hired for an extra £150 per performer. A mini circus workshop can also be hired upon request. Please note this mini workshop is only suitable for indoor events only with a smaller hire space. Outdoor event must choose one of the following packages.

Suitable for large events, fetes, fairs, and town shows.

Workshop can hold 60 children plus parents or more.

2 Stilt Walkers are included in this price to provide entertainment throughout event.

Workshop Party: Two packages available, prices can vary depending on length of party requested.

For other party entertainment such as stilt walkers, circus, LED and fire performances and fire show please see our sections for those below.

Parties with larger numbers of children may need to have extra instructors for safety reasons.

Workshops can be run in either:

Structured (where specific activities are brought out two or three at a time and lessons in those activities planned as a whole. The party will be split into groups to make this easier to manage)

Unstructured (run the same way as our regular workshops with everything out in the hall and party guests can try what they like when they like. Instructors will teach where interest is shown but it is individual person led and no one is compelled to try what they don't want to)

Full list of party games planned can be sent upon request, games are designed so that everyone can play and there is no sitting out for anyone. Party packages are suitable for adults as well as children. Lessons will be adjusted accordingly, and the certificate doesn't need to be given out unless you wish us to.

Parents are encouraged to join in. A break for food/cake can be arranged and we can supply music if you do not have anything arranged.

Children under 5 can join in although we won't teach them certain circus skills unless their fine motor control and ability to follow complex instructions is developed enough for example juggling requires being able to do 2 or 3 things at once. Babies tend to enjoy playing with the circus ribbons and if they can hold the stick and wave their arms there's no reason, they can't have a go too.

Silver party package

£350.00

1 Walker and 1 ground performer 3 x 45-minute walk about

£460.00

2 Walkers and 2 ground performers 3 x 45-minute walk about

£820.00

Our stilt walkers can fit most themes with their costumes however we are always making more so if you have something specific in mind, please let us know. Our tallest stilt walker stands at 9 feet tall. All our stilt walkers can also perform tricks such as hula hooping, contact juggling, contact staff, juggling and diabolo whilst up and walking about. Balloon modelling is also an option for an additional fee.

Performances:

Regular and LED performances:

£280.00 per performer per event.

Balloon Modeller: **£300.00 per event** for up to 3 hours. This covers the cost of the balloons as well as the staff wages

Aerial and Acro Performances: **£350.00 per performer per event.**

Fire performances:

Minimum of 2 performers for safety, one person performing and the other marshalling then switching over for the next act.

£290.00 per performer per event for a maximum of 15 minutes per performer

Acts include Fire Eating, Body Burning, Fire Fans, Fire Poi, Fire Nunchucks, Fire Juggling

£340.00 per performer per event for a maximum of 15 minutes per performer

Acts include Fire Staffs, Fire Thai Staffs, Fire Hula Hoops, Fire Swords, Fire Contact Juggling

£400.00 per performer maximum of 10 minutes:

Acts include Fire Breathing and Lycopodium Canes

Longer performances can be obliged with additional charges applied.

Our fire performers are trained to fire marshal each other. We would require an area we can set up our arena (unless we are performing on a stage) to keep the audience a safe distance for safety reasons, we supply this ourselves. A minimum space of 6m by 6m needed. 6m by 8m if you wish to have the lycopodium canes and fire breathing as the fire trails and equipment is much bigger. This is to comply with our insurance requirement of 3 metres between flame and audience and 4 metres for fire breathing and Lyco.

We ask if you require us to perform inside that you check with the venues insurance to have the smoke alarms and sprinkler systems turned off before our performances. We also would need to provide a venue inspection prior to the event to check ceiling height and locate any hazards we would need to avoid. We also ask if we are performing inside that you provide necessary ventilation as it will get smoky. Access to cleaning products to mop up any leftover fuel off the floor would also be appreciated.

Infinity Circus Fire Show:

£950.00

This package includes:

Full 45-60 minute choreographed show complete to music.

1 x compere to introduce each act and interact with the audience as well as perform. 2x performers to provide acts within the show.

Acts included in show:

Fire sword duet, fire fan duet, body burning and eating act, fire staff act, fire hula hoops act, Body burning and contortion act and lycopodium staff trio and fire breathing as finale.

A minimum space of 6m by 8m is required for this show. We provide our own arena and have both hard standing and soft standing. We would need access to water but do not need access to any power sources for our music as our own speaker is rechargeable. Everything is managed by us, the fire marshalling, music, sound checks, safety checks and audience safety.

We ask if you require us to perform inside that you check with the venues insurance to have the smoke alarms and sprinkler systems turned off before our show. We also would need to provide a venue inspection prior to the event to check ceiling height and locate any hazards we would need to avoid. We also ask if we are performing inside that you provide necessary ventilation as it will get smoky. Access to cleaning products to mop up any leftover fuel off the floor would also be appreciated.

More than one package can be combined at events. Please contact us to discuss pricing for multiple services in a single booking. Charities get a 15% discount on any of our packages. To book us for your event please contact Carly our company director using the details below. We require a 20% non-refundable deposit to be paid in advance for us to book you in.
